- (I) Certificate of Purpose of Plat. Notwithstanding any other provision contained in this section, it is the duty of the surveyor, by a certificate on the face of the plat, to certify to one of the following:
- (1) This survey creates a subdivision of land within the area of a county or municipality that has an ordinance that regulates parcels of land;
  - (2) This survey is of an existing parcel or parcels of land and does not create a new road or change an existing road;
  - (3) This survey is of any existing building, or other structure, or natural feature, such as a water course;
  - (4) This survey is a control survey;
  - (5) That the survey is of another category, such as the recombination of existing parcels, a court-ordered survey, or other exception to the definition of a subdivision; or
  - (6) That the information available to the surveyor is such that the surveyor is unable to make a determination to the best of his or her professional ability as to provisions contained in items (1) through (6) above.

Note: Certain activities may be eligible for an exemption/waiver from the subdivision standards (see Section 8.3). If the activity being submitted meets one of the activities eligible for an exemption/waiver, item 5 above should be the selected certification.

- (J) Certificate of Approval for Recording.

"I hereby certify that the subdivision plat shown hereon has been found to comply with the Subdivision Regulations of the City of Boiling Spring Lakes, North Carolina, and that this plat has been approved by an authorized representative of the Boiling Spring Lakes for recording in the Office of the Register of Deeds of Brunswick County.
