2. Purchase vehicle for City Manager.

Mayor White reported that in accordance to the City Manager's contract we agreed to provide him with a vehicle. We will need to purchase a vehicle for him to drive.

A motion was made by Commissioner Carroll and seconded by Commissioner Glidden to purchase a vehicle for the City Manager to drive.

Discussion: Mayor White commented that we could purchase a new Dodge Charger for 22636.00.

Commissioner Glidden asked why do we need to purchase a new vehicle, why can't we purchase a used vehicle.

Commissioner Forte commented that you can't get much for the money.

Mayor White commented that he had looked at Auto Trader and a used one with 38000 miles is \$21000.00 and one with 15000 miles is \$25635.00. The State contract allows us to get a new vehicle for the same amount of money we would pay for a used one. Commissioner Caster commented that he is ok with it.
