Marge Pennington ~ 201 So. Shore Dr.

Marge inquired if there were any vicious dogs registered within the city. She stated that back in the June or July timeframe there was a vicious dog in her neighborhood. The Board stated that to their knowledge there were no vicious dogs registered. Marge then inquired about an information package for new residents and if there were some way we could have an information package that people could come to City Hall to pick up. Ann Hollingsworth responded that there are information packages included in the welcome packages such as calendars, information about alligators and city maps. Ann said the Commission welcomes new residents, rentals and re-sales as well. Commissioner Glidden commented that the ordinances are in place and we are just updating the ordinances. The website is the place to get all the information you need.

Ann Hollingsworth ~ 956 Nicklaus Rd.

Ann stated that the Appearance Commission distributes information to the businesses and keeps them updated on what is happening, as an example the information about the alligators was given to all the local businesses in town. The Commission also receives information from the Chamber of Commerce and businesses to include with our welcome information. The Commissioners and Mayor complimented the Appearance Commission on the good job that they do.
