Commissioner Stilwell (absent)  
City Clerk Jane McMinn

**3. Citizen Comments**

**Lonnie Clifton ~ 100 Polaris Dr.**

Mr. Clifton commented that there are two mailboxes with the number 100 on them on Polaris Dr. One is for his address and the other is for 100 Oakdale. Both of these mailboxes are on Polaris Dr. Mr. Clifton stated he has spoken to the assistant postmaster and also the previous mayor about this the problem but it still exists. Commissioner Glidden suggested that possibly our city manager contact the post office to bring this to their attention so see if the post office will move the mail post in front of the correct address.

**Chuck Wojda ~ 161 No. Lake Dr.**

Mr. Wojda commented that he would like to see a stronger agenda. He would like to see the city contribute to more goals and objectives on the agenda and be reactive to issues and problems; we need to get better at that. I would like to see the board's vision for the future and work on that together. I see many topics that can be addressed, for example on the Planning Committee. Mr. Wojda suggested picking some of the issues and forming committees to and work forward. Also Parks & Rec. will be distributing a need assessment request and the board should look at these needs and use forward thinking. We as residents understand that projects for improvement will be an expense that needs to be budgeted, but without change and improvement the city will not be able to grow.

**Audrey Carathanasis ~ 1281 Spring Lake Dr.**

Mrs. Carathanasis would like to see an article in the State Port Pilot stating that pets and dogs are not allowed at Spring Lake Park. When I am I the park I speak those people that bring their pets and remind them that dogs and pets are not allowed; but people either

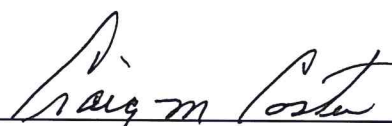

don't see the signs or just ignore them. Mrs. Carathanasis would like to see more enforcement of this problem.

**Bill McGuire ~ 249 W. North Shore Dr.**

Mr. McGuire asked if there could be a sign placed on his road that says "Caution Children at Play." There are many children that play on this road and cars drive very fast; there are no speed limits on the road and there are trucks and four wheelers that use this roadway. We need to provide some caution signs so drivers are aware that there are children playing in the area for their safety.
