### **Dams update #12**

**Upper Lake Dam** – Barring complications, Upper Lake Dam should be completed by 05/09/2025. Currently the contractor is finishing up the slope protection of the dam and installing ABC stone on the roadway. Completion of the Upper Lake Dam will be a major milestone in the dams replacement project.

**Pine Lake Dam/North Lake Dam** – The contractor is backfilling the Pine Lake Dam. At the North Lake Dam, the contractor will start slope protection on 05/12/2025. It is anticipated that the contractor will start laying asphalt during the last week of May. Guardrails will be installed the first week of June. Once asphalt and guardrails are installed, E. Boiling Spring Rd. will be reopened to traffic. It is anticipated that the road will be opened during the first week of June.

**Sanford Dam** – Structural concrete is being poured at the job site.
